

**Forgive us for blowing our own trumpet but...**

**One of the best days of the year  
is nearly here!**

**Saturday August 27**

**is Holm Show Day -**

Our show is always fun and friendly so please do come along and join us.

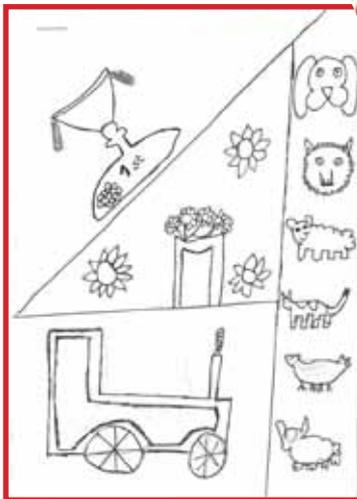

If you've never been to the Holm Show before -  
we can guarantee you a warm welcome and a terrific day.

**Bring the whole family.**

We asked Newcastleton Primary School pupils to design the front cover for this year's Holm Show schedule.

The judges had a very hard time making up their minds, but decided that the winning entry was this one, by Blade Linton-Adams.

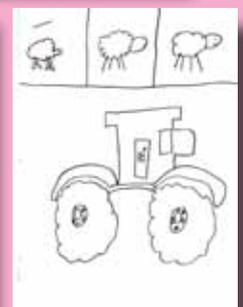

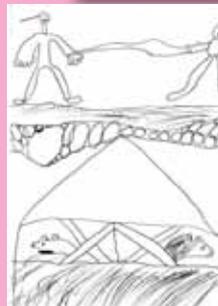

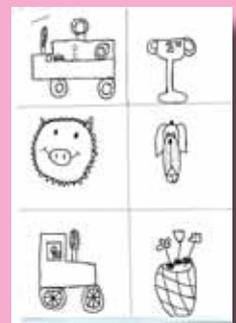

The Primary School very kindly allowed us to hold some workshops to give pupils a taster of some of the classes in the show and to encourage them to enter. The results were fantastic as you can see for yourselves overleaf.

The youngsters in the school are very talented and the judges were so impressed by their artistic skills - they decided to pick five runners-up.

Their work will be featured on special posters which will be put on display on Show Day - so keep a look out for them.

Well done to Jodie, Jake, Joshua, Riley and Connor for their pictures.

**When we invited the children of Newcastleton Primary School to take part in some special workshops to learn more about some of the Holm Show classes, we were bowled over by their enthusiasm - and their talent.**

We would love everyone to become part of our Show - and what better way than by entering our classes. We have a very wide range - so there should definitely be something to suit just about everyone! Whether you enjoy cooking, painting, photography, stick-making, baking or crafts - we've got just the class for you.

We invited the children at Newcastleton Primary to have a go before the big day, just for fun. They tried their hand at decorating jam jars and wellies and you can see some of the excellent results above. We're hoping for bumper entries in those classes this year!

Of course, this is a show which celebrates life in the countryside, so we also have lots of classes for livestock, poultry, horses and dogs. Pick up a copy of our schedule from local shops - or give us a call and request one - or download one from our website [www.holmshow.co.uk](http://www.holmshow.co.uk) and enjoy having a browse.

The Holm Show website has been given a whole new look, so why not visit and take a look round.

You can learn about the history of the show, see photos of past shows, and find details of how to get in touch with us.

You can download the schedule for this year's show from the website. Just click on Schedules on the Home Page and then click on the little logo beneath the Holm Show schedule box.

You can also download past newsletters.

Even if you're a seasoned Holm-show goer, you will find plenty of new things in this year's Show. We have new classes in both Industrial and Livestock and some new trophies too, including the new Kirndeane Junior Crookmakers Trophy for Champion Junior which has been kindly donated by Mr and Mrs Butler of Kirndeane.

We are always enormously grateful to our sponsors - they support the Show every year and make it possible for us to bring you terrific classes, prizes and entertainment.

### **ALSO NEW FOR HOLM SHOW 2016**

Fancy Dress - our horsey section always has a Fancy Dress competition but we decided to stage another class for non-riders so that other youngsters can join in the fun.

The theme is - Animal or Vegetable, so get your thinking caps on and see what you can come up with.
